Mark - I had a petitioner withdraw their appeal but did not think to ask them to file their withdrawal in ECFS. Can we have it filed in ECFS on our own in order to remove this appeal from our master log and is this necessary?

Great job! It can just come off the master log—no PN entry necessary as long as they file something in ECFS (or maybe we can just submit this e-mail—I think Mark has dealt with these before).

I was able to get Rowan to withdraw their appeal. Please remind me:

Do I need to include it in our PN as a dismissal or do we simply take it off of our master log per the withdrawal?
